BringFido.com Recognizes Kinzie Hotel as a Top Customer-Rated Pet Friendly Property in the United States

(Chicago, IL May 20, 2014) – Kinzie Hotel is pleased to announce that it has been honored as a 2014 Fido's Favorite Award winner by the pet friendly travel website BringFido.com. This annual award recognizes hotels, inns and bed & breakfasts that attain superior pet-friendliness ratings from BringFido.com customers. Fewer than 5% of all pet friendly accommodations receive this distinction.

As the world's leading pet friendly travel website, BringFido.com is committed to helping pet owners find accommodations that truly welcome and cater to the needs of their four-legged companions. The website relies on its 12 million annual visitors and BringFido app users to review and rate properties on a 1 to 5 "dog bone" scale. Only 4-bone or higher rated properties are eligible for a Fido's Favorite Award.

"Kinzie Hotel encourages guests to bring along their beloved four-legged friends, as our customer service and personalized experience extends to them as well," says Director of Sales & Marketing, Jose D. Angulo.

"BringFido.com is proud to recognize Kinzie Hotel for its accomplishment in providing excellent service and accommodations to travelers with pets," said Melissa Halliburton, President and Founder of BringFido.com. "Our customers appreciate the extra steps that properties take to ensure a comfortable stay for pets and their owners."
